

# Your Furnace Deserves a Tune Up

**Small business owners may receive a no-cost tune up and smart thermostat bundle provided by SEMCO's Energy Waste Reduction Program.**

**This offer is available to customers who meet the following criteria:**

- Business must be a SEMCO natural gas customer paying a GS-1 or GS-2 tariff rate. Contact SEMCO or your Energy Advisor for more information.
- Tune up and thermostat bundle must be completed by a SEMCO EWR Trade Ally. Trade Allies must contact their Energy Advisor before beginning the project to reserve funds.

**Tune up and thermostat installation and application must be submitted by November 30, 2020. Available while funds last.**

## Questions?

For full details and eligibility requirements, contact your Energy Advisor or Lindsay McWebb at **906.250.0600** or **[lindsay.mcwebb@clearesult.com](mailto:lindsay.mcwebb@clearesult.com)**.
