

Earn a Bonus on Long-Life Energy-Efficient Equipment

BONUS RATES THROUGHOUT THE YEAR.
Earn up to 30% extra on rebate applications.

SEMCO's Energy Waste Reduction Program is offering a varied bonus rate on select long-life prescriptive projects completed. Long life measures (LOM) are projects that will be used for ≥ 15 years (e.g., boilers, insulation and duct sealing).

Contact your Energy Advisor for eligible measures. Projects must be completed and all paperwork submitted to qualify for bonus funds.

2020/2021 LOM Bonus Calendar

July–September 2020	30%
October–December 2020	25%
January–March 2021	20%

Available while funds last.
