

Affidavit of Michigan Manufacture

I, _____, declare that the equipment listed below was manufactured by the company indicated below, and to the best of my knowledge and belief, at least fifty percent (50%) of the manufacturing and assembly of the equipment (exclusive of packaging) is performed in the State of Michigan. It is understood and agreed that the delivery, packaging, set-up or installation of said equipment is not considered to be part of the manufacturing process. The manufacture of the equipment shall include only the actual construction and assembly of the equipment during the manufacturing process.

I further declare that:

- 1) I am an authorized representative of said company listed below.
- 2) This affidavit is being submitted on behalf of the company to the SEMCO Energy EWR Commercial & Industrial Program in connection with its participation in the SEMCO Energy *Made in Michigan* bonus initiative.
- 3) I acknowledge that all products submitted for consideration in SEMCO Energy's *Made in Michigan* bonus initiative will be subject to the same qualifying specifications and eligibility requirements as the Prescriptive and Custom C&I Program.
- 4) I acknowledge that the Terms and Conditions of SEMCO Energy's C&I Prescriptive and Custom Program will not be modified under this *Made in Michigan* bonus initiative and all program incentive caps are still in effect.
- 5) I agree to allow staff from the SEMCO Energy EWR Program to access the company's manufacturing facility at the address provided below for verification of eligibility.
- 6) I understand that SEMCO Energy reserves the right not to approve manufacturers for a particular year or specific equipment if the evaluation performed indicates that the manufacturer does not meet the stated *Made in Michigan* criteria.
